Response

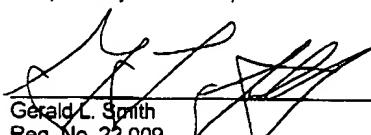

Sir:

In a recent Office Action mailed January 16, 2003 in connection with the above-identified application for United States patent, the Patent Office forwarded a photocopy of a communication indicating that a drawing change has been required, presumably by the Official Drafts Person.

The communication did not indicate what drawing changes were required, presumably on a form PTO-948. It is noted additionally that box no. 2 under "attachment (s)" in the Office Action Summary was not checked nor was box no. 1 concerning references cited. In the latter regard, PTO-892 was not forwarded with the Office Action.

It is requested that the noted documentation be telefaxed to the applicant's attorney at the below-noted telefax number.

Respectfully submitted,

Gerald L. Smith
